

JUNE 29TH-JULY 2ND EXPLORER'S

4-Day Day Camp for Neurodiverse Youth

Camp Esquagama's Explorer Program is a specialized 4-day camp for youth with Autism and Cognitive Delays, providing a safe and supportive environment where each camper is paired with a dedicated Camp Buddy (camp counselor) and supported by professional special needs staff. Campers personalize their daily experience by selecting from exciting activities like Arts & Crafts, Land Sports, Climbing Wall, Archery, and Canoeing, with the added option of an overnight stay on the last night of camp. Our mission is to build confidence, develop skills, and create meaningful friendships in an inclusive camp setting that celebrates each camper's unique abilities. Through our unique unified programming approach, Explorer campers have the option to bring a friend to share in their camp experience as their personal peer Camp Buddy as well!

A big Thank You to the support of the Iron Range Rotary Club, the St. Louis County Board of Commissioners, and private donations, the Explorer Program is free of charge to all participants. For more information, please email our Camp Director Robert Johnson at robert@campesquagama.com
