

Chainsaw Operation

Woody Debris Disposal Options Class

June 2023 Dates:

June 16, 8:00 am - 5:00 pm

June 17, 8:00 am - 3:00 pm

June 18, 8:00 am - 3:00 pm

Main Instructor:

- Jeff Poenix, MN
DNR Wildfire
Training Technician

Location:

Camp Esquagama
4913 Pine Lane
Gilbert, MN 55741

Students will be introduced to the function, maintenance and use of internal combustion engine powered chain saws. Field instruction will consist of entry level training of safe use of a chainsaw. Class is specifically for individuals with little or no previous experience in operating a chain saw. This class will be providing a hands on in the field cutting experience. The class will cover various disposal options for hazardous woody debris materials.
